

FUNCTION ROOMS

At Hotel Must, two function rooms with a modern decor are at your disposal. For a special evening, a reception or a business meeting, our multi-purpose rooms welcome you in a vast and clean space, as well as offering you several options in term of room layouts.

Every function room at Hotel Must is equipped with wired or wireless Internet connections. With the rental of your function room, Internet access is offered free of charge for the first computer. During the event, food service is provided by an affiliated independent caterer. However, audiovisual equipment is rented by the hotel itself.

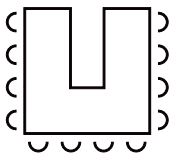

JARO Hotels are members of Tolérance Zéro, a designated driver service. Through this service, your guests can enjoy a safe return with voluntary contribution.
