### NOTICE TO OUR CUSTOMERS: Food allergies and intolerances

For your safety, please note that the food products offered in our establishment might have been in contact with peanuts, nuts or other allergens (for non-individually wrapped products).

Even though the employees are careful when preparing the meals served to allergic people, there is still a risk of error and cross contamination, even if you warned us about your condition. Consequently, we cannot offer a risk-free guarantee. If you take the responsibility to order a meal in our establishment as a client with any kind of food allergy or intolerance, your epinephrine auto-injector or the necessary medication must be within your reach before you eat any kind of food served. Please warn the people around you about your condition.
